Honorable Judge Butts & County Commission:

As you are probably aware, I and my wife have been hired by the Weakley County Nursing home Commission as Assistant Administrator of the Weakley County Nursing Home. I will be moving out of Zone 9 to live in the quarters furnished by the Nursing Home.

Therefore, will you please accept my resignation from the County Commission. I also wish to resign from the following committees; Weakley County Municipal Electric System, Weakley County Nursing Home, Health, Education and Welfare and Personnel Committee.

My 12 years in this capacity has been rewarding and fulfilling. I sincerely hope that I have been a contributing member of the County Court. It has been a most pleasurable experience working with each of You.

Highway Department asking the Court for permission to use the money that was originally borrowed for gravel to be used for bridges that have fallen in or washed out. The resolution states road construction and bridges does not fall under this. Since this Court voted 200,000.00 for gravel, the Highway Department feels that they should have the permission of the Court to use this money for bridges, or some of this money.

This motion put to a voice vote motion carried.
