RESOLUTION

WHEREAS, the cost of construction and maintenance of roads has risen condierably in the past years and

WHEREAS, the citizens of Weakley County are entitled to and are demanding better construction and maintenance of roads and

WHEREAS, well constructed and well maintained roads are necessary to the health, welfare and well-being to all the citizens of Weakley County

THEREFORE, BE IT RESOLVED that we, The Board of Highway Commissioners for Weakley County, in regular meeting on July 11, 1960, hereby request the Weakley County Quarterly Court to set the tax-rate for the fiscal year 1960-61 at .85¢ for road purposes, the rate that has been set for the past 11 years and the Board of Commissioners also request the County Court to allow them to share in all County taxes collected from any source.

BE IT FURTHER RESOLVED, that the Board of Highway Commissioners respectfully thank the County Quarterly Court for their consideration in the past and pledge their support and cooperation in the future.
