RESOLUTION

WHEREAS, it appears to the Weakley County Beer Board, that heretofore a number of permits or licenses to sell beer have been issued to the trade name of the place in which beer was to be sold; and

WHEREAS, it further appears to the Weakley County Beer Board that all beer licenses or permits should be issued to the individual operating such establishment, rather than to the trade name of the place;

NOW, THEREFORE, BE IT RESOLVED by the Weakley County Beer Board, in session, duly assembled in the Courthouse in Dresden, Tennessee, on this February 16, 1963, that:

In the renewal of all beer licenses in the future, the County Court Clerk be instructed and directed to renew said licenses in the name of the individual operating such establishment at the time said license expires, and that no more licenses or permits be renewed in any trade name. ALL OF WHICH IS SO ORDERED BY THE COMMISSION.

WITNESS OUR HANDS.
