
J. T. Miles, Supt., presented the following resolution to the Court:

Whereas, the Social Security Program was approved by the Quarterly Court, duly assembled on July 5, 1954, to include school bus drivers, mechanics, maintenance supervisor, cooks, janitors, and office secretary,

And whereas, the 1954-1955 school budget did not set apart funds for this specific item;

Now therefore, be it resolved that the budget be revised to include this item of expenditure.

Motion made by Esq. N. L. Walker to adopt the above resolution, seconded by Esq. Neal Tillman. Unanimously adopted.
