RESOLUTION NO. 1983-3:

This resolution is the County Personel Handbook, which is in the folder for this court. Comm. Westbrook says that on the part about holidays, there will be the option of taking Veterans Day or the Friday after Thanksgiving. This is entirely up to the department head. New accident forms will be used. We have always had the same froms, did the same thing, just different form numbers in the handbook. Forms 101-102 will be changed to Form # 329200. One major change in the handbook is on vacation leave. It has been changed to build up only 15 days as opposed to 25 days in the old handbook. County employees build up 1 day per month after the first 6 months of employment. It has been pointed out that some employees have 25 days built up and its not fair to reduce that to 15 days so that need to be resolved. Comm. Jack Esch makes a motion to amend that to give the employees 1 year to take their time, 1 year from 4-1-83. That way it would not make it hard on other employees. Motion seconded by Comm. Sam Sinclair. Upon being put to a roll call vote, the amendment to Resolution 1983-3 carried. As far as sick leave is concerned, any employee will have to be sick in order to receive sick pay benefits. No more building up time. Comm. Westbrook made the motion that the foregoing resolution, ^{as ammended} be adopted. Comm. Lewis Garner seconded. Upon being put to a roll call vote, motion carried.

PROPERTY COMMITTEE REPORT:

After much discussion and question and answers, the chairman told the commissioners they did not have a recommendation. After more discussion and 15 minute recess, the committee came back with the recommendation that the project not be funded at this particular time and that the Property Committee continue to take the entire situation under advisement. Comm. Jacky Esch made the motion to accept the Property Committees recommendation and Comm. Bobby Parker seconded the motion. Upon being put to a roll call vote, motion carried.

FISCAL REVIEW COMMITTEE REPORT:

Comm. Fred Morris informed the Commissioners of the FRC meetings that have been taking place.

H. E. W. COMMITTEE REPORT:

HEW Committee chairman, Larry Jolley said the committee voted Monday morning to recommend that the county grant a franchise to Commercial Waste Disposal, Inc., operated by Hal Jernigan of Union City, for the county wide garbage collection service.
